- Unique development philosophy of Gross National Happiness

Introduction

Bhutan Lhayul Tours and Travels is a government-approved travel agency established in 1999. With 20 years of experience in the field of tourism, we are travel experts in providing personalized care and services for a wide range of clientele including solo travelers, group travelers, families with children and business groups.

We recognize that every traveler is different so we will work closely with you to come up with a special program that meets your specific needs and budget.

Activities

- Cultural Tours give an insight to the people, culture, tradition, religion and ecology of the country. You will have the opportunity to see picturesque landscapes, unique architectural splendors, and experience the local culture.
- Festival Tours is an opportunity to witness "tshechus" which are held annually at various parts of the kingdom during different times of the year.
- Trekking in Bhutan is unlike anywhere else in the world. The long and arduous walks are complimented by crystal air, lonely paths and views that defy description.
- Luxury Travel offers the opportunity to enjoy the beauty of Bhutanese landscape and experience the rich Bhutanese heritage and culture while travelling in luxury and comfort.
