PLACES OF INTEREST

From the west to the far east

Haa

WESTERN BHUTAN

A quiet, little-visited valley beneath sacred peaks. Walk the Red Panda Trail through forest, or take the Panoramic Hike for sweeping views over the valley.

Thimphu

THE CAPITAL

A capital without traffic lights. Visit the dzong, markets, handicrafts and the Buddha Dordenma overlooking the valley.

Phobjikha

CENTRAL BHUTAN

A broad glacial valley and winter home of the black-necked cranes, with Gangtey Monastery above and gentle nature walks.

Mongar

EASTERN BHUTAN

A lively eastern town with its dzong, terraced hillsides and a gentle pace of rural life on the way to Trashigang.

Paro

WESTERN BHUTAN

Home to the country's only international airport, the national museum, Paro Dzong and the cliffside Tiger's Nest monastery.

Punakha

CENTRAL BHUTAN

Once the capital, set where two rivers meet. Its dzong is among the most beautiful in the kingdom, reached via Dochula Pass.

Bumthang

CENTRAL BHUTAN

The spiritual heartland, with ancient temples and monasteries, rolling valleys and a strong tradition of festivals.

Trashigang

EASTERN BHUTAN

The largest town of the east: a hillside dzong, traditional weaving and villages that feel far from the beaten track.

PLAN YOUR JOURNEY

Every traveller is different

Tell us your interests, your dates and your budget. We will build a private, flexible programme around you: culture, festivals, trekking or luxury, or all of them together.

FESTIVALS

Plan around a tshechu: dates differ each year, so ask us for the current calendar.

GOOD TO KNOW

Visits to Bhutan are arranged through a licensed operator. We handle your visa, permits and sustainable development fee.
